<b>Course Requirements :</b>	<b>Group Code :</b>	<b>Language:</b>
Final Paper	232103421	English

---

### Course Description

This course is the second of two required teaching courses for the Zvi Meitar Program.

This course is in development and will look to two areas:

Law and Technology in the metaverse - we will be in the metaverse for this part of the course.

Law and Technology in sustainability

---

### Course Goals

To learn about the ethical, legal and social implications of new and emerging technologies

---

### Grading

Grading is subject to change.

But likely there will either be an final take home assignment or a final paper

80% of the grade will be the final assignment/paper

20% will be participation (possibly subject to change)

---
