International / English Language Media Report,

The 2016 Herzliya Conference was held on June 14th-16th, 2016. The first day took place at the President’s residence and lasted for half a day while the other two days were held at the IDC Herzliya campus. The two days at IDC were comprised of panel and plenary sessions mixed with "Roundtable" sessions. Some of the roundtable sessions were open to the press (with no translation).
