Natalie Samson, MA

Senior Group Facilitator

Natalie holds a BA in behavioral sciences (psychology, sociology, and anthropology) from Ben-Gurion University of the Negev and an MA in clinical psychology from Bar-Ilan University. She trained in clinical psychology at the early-childhood clinic of Bar-Ilan University and in the infancy unit of Geha Hospital, as well as in the adult clinic and closed adult ward at Shalvata Hospital, and runs a private clinic in Binyamina.

Beyond her clinical experience, Natalie has extensive experience in facilitation, training, and teaching in various settings — from psychometric prep courses, through preparation for the graduate-psychology admissions exam, to facilitating therapeutic groups and sessions on communication between teens and their parents. Natalie is also a member of Maytiv's content-development team for students and teachers, and of the training team for Maytiv facilitators.
