Dr. Edith Zakai-Or

CEO

Dr. Edith Zakai-Or completed a BA in psychology and philosophy at Bar-Ilan University. She went on to complete the direct-track PhD program in industrial-social psychology, including internships and work in organizations, and earned her Ph.D. there in social-cognitive psychology. Edith worked at the Prime Minister's Office in a series of field positions and later in managerial roles across various fields.
She also worked in education, with a focus on at-risk youth.
