Course: _____ **Exam Date:** _____

Dear Student,

In light of the Ministry of Health's guidelines and under the current circumstances, the Interdisciplinary Center Herzliya is doing everything in its power to maintain an academic routine, and accordingly the exam noted above will be conducted online.

As you know, exam integrity is paramount in institutions of higher education and as such it is of great importance to IDC's administration, faculty and students; this, alongside striving for excellence and maintaining high professional and ethical academic quality.

The online exams are intended to reflect students' knowledge and proficiency in the course material and accordingly they must be conducted according to the required rules, while abiding by the relevant instructions and with the proper fairness. Not abiding by the rules and instructions constitutes a disciplinary offense that might also negatively affect all the other students who completed the assignment on their own merits.

The Interdisciplinary Center Herzliya will take any required action to ensure that the integrity and fairness of the online exams is maintained.

Sincerely,
Interdisciplinary Center Herzliya
