Application for special accessibility * During the semester (not for exams)

* This application is intended for accessibility in cases of: temporary injury or temporary disability, one-time access, for example a ramp to the stage for the purpose of completing the course.

IDC Herzliya promotes accessibility.

We see students and staff with disabilities - equal rights, who are entitled to enjoy full access to the assets and services of the organization and the information presented on the website.

IDC Herzliya operates in accordance with the law and even more so in order to help people with disabilities improve the quality of life and enable their integration into society through dignity, equality and independence.

These adjustments are made subject to the provisions of the Equal Rights for People with Disabilities Law (1998) and the regulations thereunder.

Students and faculty members are invited to send an e-mail with the following details if they need special access to the event or lecture until one week prior to the date (up to seven working days from the date required for accessibility).

The Application should be sent to Raz Revital the Academic Coordinator by email:
