- Participation in a sports team will earn students two credit points, providing the student
 participated in the team for two full academic years and fulfilled all the requirements, as
 confirmed by the coach. Students may participate in more than one team subject to availability,
 but they cannot earn more than two credit points for this activity throughout their studies at IDC
 Herzliya. Furthermore, no additional credit will be awarded to students who take upon
 themselves extra-credit social activity. Exceptions to this stipulation are students who serve
 active reserves duty and athletes who represent the IDC in sports competitions.
- Students who continue representing the IDC throughout the entire period of their studies will be eligible for 4 credit points, subject to the approval of the head of the Sports Administration at the IDC.
- Students who have reported an injury in writing is still required to attend practice. A student who is unable to fulfill the attendance requirements of participating in a sports club due to an injury or any other justified reason may make arrangements with the coach or with the IDC Herzliya Sports Administration to make up the requirements the following year.
- Students will receive a grade of pass or fail (that will be included in their transcripts). Students who excel in sports clubs and other suitable athletes will be invited to join the teams that represent IDC Herzliya in competitions.
- Outstanding athletes will receive two credit points if they are active members of teams that represent IDC Herzliya for at least two years.
- Students accepted into one of the representative teams and stopped participating or whose participation was discontinued by the coach/Sports Administration, will be removed from the list of athletes and will not be eligible for the credit point.

• All students participating in the representative teams is obligated to the IDC regulations for prevention of sexual harassment.

6. Registration

Students interested in participating in the sports activities should apply through the Student Administration or the IDC Herzliya Sports Administration, in accordance with information advertised prior to commencement of the academic year. **Students cannot apply to sports clubs via the course registration website.** The number of spaces in the clubs is limited, and their opening is subject to sufficient registration. Acceptance is dependent on the results of tryouts administered by the coach. The time and location of the tryouts will be advertised separately.

7. Insurance

Students accepted to sports clubs/activities must provide written confirmation attesting to their physical fitness from a qualified physician or sports medicine institute The Sports Administration will provide insurance for students who submit said confirmation of their medical fitness.
