# **Improving Business Environment in Israel**

## **Measuring Government Regulation & Bureaucracy Workshop**

Ms. Daria Podshivalov  
Ministry of Finance

# Introduction

Ministry of Finance

## Improving the business environment and the ease of doing business in Israel

Through the **reduction of Bureaucratic & Regulatory burden** and by **streamlining and simplifying processes** between the business sector and government agencies.

# Introduction

Ministry of Finance

- ✓ No systematic measurement of the bureaucratic & regulatory burden.
- ✓ No estimation or evaluation of the costs and the implications of government bureaucracy on the economy.
- ✓ No Indicator for the effectiveness of government' activity to reduce bureaucracy.

# Why are we here?

Ministry of Finance

- Learn about the measurement processes from countries that have successfully implemented it.
- Discuss the different aspects of the measurement process, and how to better implement and transfer those ideas to policies and actions in Israel.

In these two days workshop we will discuss and learn about different aspects of the measurement in Germany and in Denmark, and how to transfer those ideas to concrete policies and actions in Israel.
