

*Anath Levin*

Israel Country Manager, BlackRock

Anath Levin is a professional expert in finance and capital markets. She has more than 30 years of experience in the finance industry.

Ms. Levin served as the CEO, deputy CEO and head of investments and Finance Divisions of the top financial institutions in Israel, including Clal Insurance, Migdal Insurance as well as Bank Hapoalim.

Ms. Levin also served as a member of a few important government committees and contributes substantially to public causes as a board member at Israeli NGOs.

Before joining BlackRock, Ms. Levin was operating, among other things, in the field of the FinTech and Blockchain markets. Alongside she holds a number of board positions.

Levin earned a B.A in Economics and Business Management (graduated with honors), and an MBA in Business Administration (Marketing and Operations Research major) from the Hebrew University of Jerusalem.

Born in Switzerland and raised in Haifa, Anat is married with three children.
