

Log in guide to My RU

1. My RU is a personal portal that allows you quick access to the various systems and services at Reichman University and relevant information such as your courses' websites, important announcements, your upcoming classes, and personalized exam schedule and more.
2. Enter the University's website at <https://www.runi.ac.il/en> and from there enter My RU using the button at the top of the page.

You can also access directly via the address <https://my.idc.ac.il/>

3. In the identification screen, please enter the username and password, as given to you in the personal email:

4. After identification, you will reach the personal portal that allows access to some of the systems as follows. During the preparatory class period, most of the use is in Moodle course website system and Teams.
