

Dear Reservist Students,

As part of our commitment to providing you with comprehensive support following (and during) your reserve service, we have arranged alternative assessments on many courses. These alternative assessments were coordinated with the lecturers, who wish to support you and ease your ability to meet your academic requirements.

If you meet the eligibility criteria according to the reserve service framework published by the Council for Higher Education (CHE), please submit a request via the Information station to the Student Administration Coordinators (Miriam Perl/Debbie Joel).

Please note the following:

- Requests for alternative assessments must be submitted at least 3 business days before the exam date.
- In courses where the final assessment is already a written assignment, no additional alternative assessment will be granted; however, an extension of the submission deadline may be provided.

Course Code	Course Name	Lecturer	Original Assessment	Alternative Assessment
2455	Databases and SQL	Uri Goldstein	Exam	Assignment
9688	Machine Learning	Barak Or/ Roy Guy	Exam	Assignment
26027	Computational Thinking & Python Programming	Yonatan Alon	Exam	Exam on a date agreed with the student
