The institute strives to achieve the following goals in the field of real estate in Israel: Promote academic research, Develop academic programs, Develop

executive education programs, Strengthen ties between academia and the industry and Influence public discourse. Academic Director: Prof. Amnon Lehavi, CEO: Dr. Efrat Tolkowsky.

Friends of Israel Initiative

"Israel is not just the cradle of the Western civilization. It is an integral and vital part of the West. Of our future. Defending Israel is like defending myself. And I'm willing to take the risk of keep on doing it. Because it is the right thing to do". *José María Aznar*

Friends of Israel Initiative was started in 2010 under the leadership of former Spanish Prime Minister Jose Maria Aznar together with a high-level group of notable figures to fight the growing delegitimation of the State of Israel, and to promote a positive narrative of Israel. The Initiative differs from other ventures in that most of its leaders are not Jewish and most of its activities have been closed doors meetings with current political and business leaders, in order to engage world political leaders in peer-to-peer conversations concerning the legitimacy of Israel and its right to self-defense. Public and educational events complement this main focus to expand support for Israel.
