WHY REICHMAN UNIVERSITY ?

Reichman University offers a wide range of extracurricular activities: sports, debate club, Model UN, Israel advocacy, JLIC-RRIS Friday night dinners, shiurim, mincha club, choir, band, and much more.

Reichman University is one of the most prestigious universities in Israel. Employers seek Reichman University graduates because they come with practical tools and hit the ground running. Reichman University operates a Career Development Center that aims to prepare students and alumni for the job market, and to provide them with the tools to find suitable employment both before and after they graduate.

The Raphael Recanati International School takes very special care of its students. We are the largest academic absorption center in the country. We are especially proud that we are home to more than 400 lone soldiers, who are currently studying here.

Networking is the name of the game! To date, there are more than 40,000 Reichman University graduates from over 90 countries. This gives students a unique opportunity to meet people from different backgrounds and learn about other nations and cultures, and to establish friendships that last a lifetime. This also creates a global network that provides our graduates with an advantage throughout their professional career.

Our small classes create a more intimate learning setting, which allows students to get to know each other and the staff. Our philosophy is that our students are our partners.

We are the first non-government-subsidized academic institution to grant doctoral degrees.

One third of Reichman University students are international, making us the most international university in Israel for full-degree students. Israeli students serve as counselors for first-year students in order to help them find their way around and get to know the system.

In a nationwide survey conducted by Israel's Council for Higher Education, Reichman University was ranked number one in student satisfaction for quality teaching for four consecutive years.

● VISA AND STATUS ASSISTANCE

Students are responsible for clarifying and establishing their status in Israel, and are welcome to turn to the Raphael Recanati International School staff for advice and assistance. Before commencing studies, all students must clarify their status and eligibility for a student visa (A-2) or Israeli citizenship with the Israeli embassy or consulate in their country of origin.

A student visa should be obtained in advance, in the student's country of origin. International students who are children of an Israeli parent must settle all matters, such as whether they must obtain an Israeli passport and deferment of military service, with the nearest Israeli embassy or consulate.

● CAREER CENTER

The Career Center strives to guide and prepare students to enter the working world and help them navigate their career paths and find employment opportunities through counseling, placement, and informational services. The Center's services are tailored to meet students' and graduates' specific needs and challenges in each of Reichman University's schools, according to their relevant market.

These services include personal career counseling and assistance (including one-on-one LinkedIn sessions), introducing AI-relevant tools, lectures and workshops on job-seeking strategies, resume enhancement, interview prep, etc. In addition, the Career Center provides recruitment and networking opportunities such as job fairs, career weeks, and potential employer meetings. The Career Center also maintains an updated list of hundreds of job openings in Israel for students and graduates.

● HEALTH INSURANCE

All Reichman University students are required to have comprehensive health insurance coverage throughout the entire period of their studies. Israeli residents, including new immigrants, receive national health insurance for a low monthly fee in accordance with the country's health insurance legislation. International students who are not covered by Israel's national health insurance (Bituach Leumi) should purchase their own health insurance policy to cover their medical needs while in Israel or purchase the **UMS HAREL YEDIDIM** insurance policy for international students, offered by Reichman University.

Our special arrangement with the HAREL YEDIDIM insurance company provides comprehensive health coverage for NIS 4,970* per academic year, which will be charged at the beginning of each year.

In order to have continuous coverage, the policy is automatically renewed from one academic year to the next until the scheduled end of the program unless students notify the school in writing that they wish to cancel.

** Rates are subject to change according to insurance company rate fluctuations.*
