

Dear IDC community members,

Following the latest update on the subject, as sent to you on Thursday 12/8/2021, and the return of the IDC to the "green campus" policy, we have just received an update from the MALAG (Institute of Higher education) on new regulations as follows:

Upon entry to campus, everyone, including examinees, will be required to present one of the following two alternatives:

Green pass: vaccinated or recovering from Corona, or holding a negative test result on a corona test performed by PCR method, during the 72 hours prior to its presentation.

OR: a negative result in a fast corona test, performed during the 24 hours prior to its presentation, and presentation of an ID card or passport.

Please note that a new guideline has been added, according to which it will not be possible to take exams online, with the exception of students who are currently abroad.

In order to allow you time to make the necessary arrangements, the IDC will operate as stated above, starting Sunday, August 22, 2121.

Best,
